Through the years, the North Penn Rotary has been involved in many community and international projects benefiting young people, including Rotary Youth Exchange, Rotary Youth Leadership Training, and college scholarships based on academic achievement and community service.

An organization of business and professional leaders, Rotary provides humanitarian service, encourages high ethical standards in all vocations, and builds goodwill and peace in the world.

The North Penn YMCA has been an active part of the community for over 40 years. A proud family of volunteers, contributors and staff serve thousands of residents. A major emphasis of the YMCA is to reach out to community members in times of need.

Over the years, our Financial Assistance Program has provided thousands with the opportunity to enjoy YMCA programs and memberships at little or no charge. In 2008, the YMCA touched the lives of more than 8,500 community members, providing them with nearly \$1 million in charitable services. Proceeds from this tournament will further enable the community to participate in YMCA sponsored activities.
